STRYKERZ

Strykerz is Proud to be a part of the Feather Sound and Carillon community. We are creating this fun filled day to showcase each other's individual skills by also incorporating the importance of staying healthy and fit.

The Strykerz Challenge is a Fit Day for families. With the support of some of our local residential partners we will have a day of Live Music, Bullard Magic, Bouncy House, Face Painting, a Photo Booth & more. Plus don't forget the main event of the day is fun, healthy & competitive activities for adults and kids, so we have brought in other events like an Obstacle Course, Fitness Challenges, a Striking station, Strength Challenges, and Tug of War plus a Martial Arts Demo with Master Mehrdad. Visit the website for more information.

Please come out and support a variety of local vendors, which include amazing food, treats, and products. Our main focus is to unite the community, support our local businesses, and benefit children in need.

Share this event with your family and friends to enjoy a wonderful fun filled day of music, magic, activities, and fun.
